

The
„little virtual dive computer museum“
2026, Part III:

SNAFU cont'd ...

After ca. 20 years of diving, the wrist-console of our work-horse, the ALADIN TEC 2G, gave:

SUB
MARINE
CONSULTING

08/06/2026 11:34

And, after diving and
after simple rinsing with
fresh water in the sink,
the (still extremely silly ...)
iX3M 2 made mischief
& went nuts:

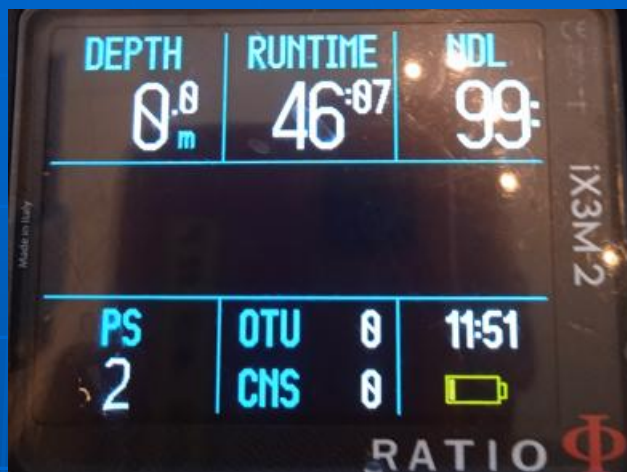

And after simple rinsing, the (still extremely silly ...) iX3M 2 made mischief & went nuts:

2026/6/20 11:47

And after simple rinsing, the (still extremely silly ...) iX3M 2 made mischief & went nuts:

SUB
MARINE
CONSULTING

... more probable than not, the sink wasn't 2.1 m deep ...
